Negometal
A universe of services

For 2026, **enter or leave Italy** via the ports instead of roads thanks to the incentive “**Sea modal shift**”.

This program introduced by the Italian government encourages carriers with an **important financial reward**.

You benefit from

- Financial reward
- Sustainable initiative
- Many ports concerned
- Your drivers take a break
- Reduce transportation costs
- Less wear, less maintenance

Ferry reservation

- Our partner C2A helps you to book online your ferries in all Europe
- Compare prices, crossing times and options
- Up to 15% discount and exclusive negotiated prices
